Daily Incident Bulletin **Tuesday, July 18, 2017**

The following information is a summary of the calls for service for the above listed date. Information that is deemed confidential will not be noted in this record. Additionally, the information is compiled from an automated reporting system and may contain abbreviations that are used in law enforcement for speed in data entry during the call entry process. There may be typographical errors that occur during this entry process. Lastly, the information noted is what was "reported" and may or may not actually reflect the true content of an incident; as it will be verified at the time an officer responds to determine actual facts and circumstances.
